

Schedule of Fees – Philippines Program

Holt is a Christian, private, nonprofit, licensed and accredited child welfare and family service organization. Our adoption work is entirely financed through adoption fees and donations. It is not government subsidized. We believe that children are the highest priority, and we want as many children as possible to have families. To that end, we strive to keep our fees within a reasonable range.

All fees are subject to change and are charged at the rate that is current at time of billing. Holt may increase fees if Holt's direct costs for providing a service increase substantially after time of application. Families will be notified in writing of any fee increase.

Holt International accepts the following for adoption fees: check, cashier's check, or money order. If you would like to pay by credit card, there will be a 3% convenience fee added to your total. Fees due upon invoice.

Holt believes finances should not stop a child from having a loving family. Although many resources exist to help adoptive families offset the cost of adoption, it's not always clear where to start looking or what opportunities are best suited for your family. To help you consider all your options, Holt provides an outline of financial assistance, as well as a list of resources categorized by type at holtinternational.org/adoption/financial-assistance.php
