

Schedule of Fees – South Africa

Holt is a Christian, private, nonprofit, licensed and accredited child welfare and family service organization. Our adoption work is entirely financed through adoption fees and donations. It is not government subsidized. We believe that children are the highest priority, and we want as many children as possible to have families. To that end, we strive to keep our fees within a reasonable range.

All fees are subject to change and are charged at the rate that is current at time of billing. Holt may increase fees if Holt's direct costs for providing a service increases substantially after time of application. Families will be notified in writing of any fee increase. Full fee descriptions are provided at the end of this Schedule of Fees.
